**Program collaborative teams include those of the Greater Cincinnati Food Policy Council, Green Schoolyards Action Network, Greenspace Alliance, Cincinnati 2030 District, and the Regional Climate Collaborative Working Groups.*

Benefits can be used within specific Green Umbrella programs that are of special interest to the member or within the organization as a whole. That means if you have a particular interest in food systems, getting kids outside, greenspace conservation and access, emissions reductions, or resilience planning, we can tailor opportunities to your priorities.

PROGRAM SPECIFIC

MEMBER RESOURCES FOR BUSINESSES

Supporting and Leading Level Membership also comes with the ability to access program-specific benefits *at no additional cost!*

Check out some of the highlights below:

- Opt-in as a **Cincinnati 2030 District** building member and/or professional partner to help make tangible progress towards 50% reductions in emissions related to the built environment.
 - Building membership includes building benchmarking and annual reporting on energy use, water use, and commuting emissions and access to 2030 District resources, funding opportunities, vetted service providers and events.
 - Being a professional partner (subject to additional screening) involves the opportunity to showcase expertise and services to District property owners and managers, and be recognized both locally and nationally through the 2030 Districts Network. Read more about this exclusive benefit [here](#).
- Tap into workplace wellness and values-based food purchasing consultation and technical assistance. (Leading Level)
- Opportunities for featured catering at GU meetings and events.
- Opportunity to highlight your services to local governments and educational institutions looking to make sustainability and resilience improvements.

Additional benefits are available for members who add on sponsorship selections, reach out to sponsorship@greenumbrella.org.

“Being a member of Green Umbrella offers Fifth Third the opportunity to collaborate on and support meaningful projects in our community that reduce emissions, build thriving green spaces, and help make our community a more pleasant place to live and work.”

Jeremy Faust

Vice President, Director of Operational Sustainability
Fifth Third Bank
